

What is the Hajj Portal

We endeavor to make this Hajj Portal a single point of contact for all your Hajj needs.

Many of us only have the opportunity to perform one Hajj trip, and its difficult to get it right when you don't know what to expect.

Through this website we hope to provide the following services:

- Personal experiences of brothers and sisters who have performed Hajj
- Tips from brothers and sisters who have performed Hajj
- Advise on how to pick a Hajj group
- Advise on how to prepare for your Hajj Trip
- A place to find people prepared to perform Hajj for others unable to perform Hajj themselves
- Dua Listing

We also hope people will participate and contribute by providing their personal experiences so that your fellow brothers and sisters may benefit from it.

Please fill out the form below if are interested in uploading your Hajj personal experiences. InshAllah, you will be contacted early next year when the Hajj Portal is ready.

It would be a good idea to keep a small diary during your trip. Please [click here](#) to see what sort of information we request you to keep.

If you have any suggestion on how we can improve this site, or you would like to help maintain the site, please contact us with your details.
